

Jane Goodall Institut - Austria

The Kids from Shanghai wanted to know, if the Austrian kids have ever been to China.

- Alessandro has been to Shanghai for 6 months. His father worked there. Patrick had been to Thailand and had a stopover in Bangkok. We don't know any Mandarin Chinese.

The group from Austria asked for the favorite dishes and if the kids like "Döner"

- The healthy stuff: Pizza and french fries, giant hotdogs, ice cream
- The local stuff: Shanghainese dumplings, noodles, sweet & sour pork
- Some of us like doner, some of us LOVE doner, some of us can't eat doner because we are vegetarian and some of us have never eaten doner.

„One mission, a million solutions“, International idea exchange for better understanding and global action

- How does school look like in another part of the world?
- What do kids associate with the term „peace“?
- And how can we make the world a better place?

These and similar questions kids of 12 Roots & Shoots groups around the globe asked themselves during the last school year.
