

Jane Goodall Institut - Austria

Spare time activities:

Vienna: Many kids in our class often do sports. We play football, water ball, ride the horse or do something else. Some kids can play an instrument like the guitar or the piano. And many students have a pet.

San Isidro: Besides our R&S projects at school, we like to do sport (some of us do water sports, our neighborhood close to the La Plata river), play instruments, attend musical concerts, and love to party and dance.

„One mission, a million solutions“, International idea exchange for better understanding and global action

- How does school look like in another part of the world?
- What do kids associate with the term „peace“?
- And how can we make the world a better place?

These and similar questions kids of 12 Roots & Shoots groups around the globe asked themselves during the last school year.

What does peace mean for you?

What do you do to help other people?

How do you contribute to protect animals?

How do you contribute to protect the environment?
